

Autumn Term Year 1

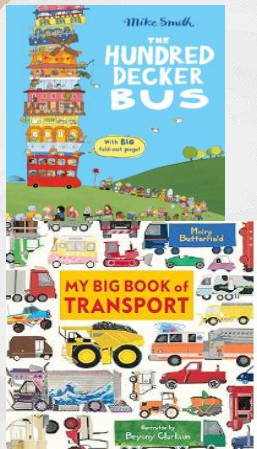

Trains, planes and automobiles.

English

We are reading the texts Hundred Decker Bus, focusing on poems by Jane Newbury- plane spotting and the poet Joseph Cohelo the journey game. We will also be creating our own fact files and becoming experts on a transport. Nearer to Christmas we may have some visitors from the Kindness Elves.

We are reading...

Maths

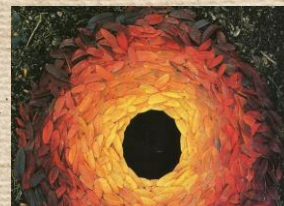

Addition and Subtraction
We are introducing parts and wholes including the part whole model.
We are recapping number bonds within 10.
We are learning to add and subtract and apply it to number problems.

Science

Our topic in Science is Seasonal change.
We will be recalling the four seasons, discussing the different weather associated with these and recording weather observations.
Explaining how day length varies.

Art

We will be teaching this through Forest School sessions and our focus is on the artist Andy Goldsworthy. We will be creating sculpture and art out of nature.

Geography

We will be using atlases and globes to identify the 4 countries of the UK and locate the village of Ruddington on a map also.

We will be identifying the physical and human features of each country and the national flower and flag for each country.

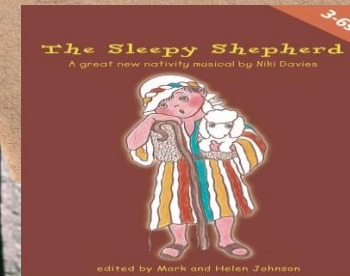

DT

We are going to make our very own moving vehicle.

Music

We are very excited to be practicing our Nativity songs and performance of the Sleepy Shepherd.

PSHCE

Alongside our topic of Good to be me and what we are proud of about ourselves, we are also acknowledging Parliament week and have written our own campaigns to be Prime Minister!

Computing

We are going to teach them how to use a simple search engine to research transport and the history of trams.

PE

The children will be focusing on invasion games, this will focus on the skills of team sports, attack and defending and working collaboratively.
