Daily Acts of Collective Worship

POINT TO NOTE~ DACW can take the form of an assembly or period of reflection held in the classroom or singing session

● **OBJECTIVES**

We see school worship as an educational opportunity with clear objectives. We use this time to encourage pupils to:

- Show interest in, and a concern for, members of the school community
- Celebrate special occasions together
- Show concern for the daily happenings in school life, the local community and the wider world
- Share appreciation of worthwhile projects undertaken by groups within the school
- Explore and review the variety of values, attitudes, standards, manifested in religions and society and our school (JG Values)
- Reflect upon dimensions of human life – the wonderful, beautiful, joyful, heroic, humorous, tragic, sorrowful, solemn....;
- Reflect on the way in which humankind has expressed the deepest spiritual feelings, through the creative and expressive arts, scientific discovery, religious practice, service to God and other people.
